## Nova Up/Down Suspension with Center Feed Power

By PureEdge Lighting

### Description

Nova Up/Down Suspension with Center Feed Power is a linear LED suspension offering direct and indirect light in a clean and contemporary architectural style. Downlight features a diffused white lens with 100 degree beam spread or a clear frosted lens with a 60 degree beam spread. The uplight features a clear frosted 60 degree lens. Both the up and downlight can be dimmed together or independently. Available in various increments from 36 to 120 inches, a variety of finishes, three wattage options, an optional black or white louver, and a spectrum of color temperature options. Fixture includes adjustable 12 foot aircraft suspension cables and a linear rectangle canopy. Fixtures over 72 inch in length include two additional aircraft cables for support. Includes a 120V input/24VDC output Universal (UNI) power supply inside canopy. Dimmable with an electronic low voltage (ELV), Triac (magnetic), or 0-10V dimmer, sold separately. Note: Product is built to order.
