Maxstoke Floor Lamp

By Currey and Company

Description

The Maxstoke Floor Lamp is a nod to Americana and the utilitarian leanings of our country's colonial era. The Maxstoke Floor Lamp has an adjustable arm that is so appealing it would be just as brilliant in an office setting as in a living room. The popular arc lamp is made of metal and beige shantung shade swivels and adjusts to make this floor lamp a book lover's go-to illumination.
