Calypso Martinique Pendant By Contardi

Description

The Calypso Martinique Pendant is a collection of lamps inspired by the forties. They show a connection with the tropical and Southern American world, where the European deco style, characterized by geometric lines and black and whites, is twisted and revitalized thanks to bright colors, patterns, and twine. Includes a moss green braided silk suspension cord. Note: 27.5 inch option available in Yellow Multi only.

Shown in satin brass / black multi
