12V Accent Light

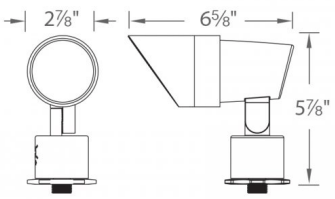

By WAC Lighting

Description

LED 12V Outdoor Landscape Accent Light is an all-in-one fixture to replace older halogen landscape accent lights. Includes 1 watt to 18 watt preset wattage options with choice of 2700K or 3000K color temperature. Integral adjustable brightness control from 50 to 1160 lumens and integral adjustable lockable beam angle from 10 to 60 degrees. Includes a detachable shroud and a mounting stake with a 6 foot lead wire and direct burial waterproof wire nuts. IP66 rated for wet locations. Note: Required 12 volt power supply and optional accessories sold separately.
