

# Titanium 4 Inch Retrofit Kit 12W 120V 2700K 90CRI

**Description:**

This Titanium Series 4 Inch Downlight Retrofit Kit was designed and engineered for commercial applications that demand high performance lighting and accurate color rendering. With only 12 watts, this downlight retrofit kit offers the same light output as a 50 watt incandescent source and lasts 35 times longer. Includes 12 watt LED with medium base socket in choice of 2700K color temperature, 600 lumens, or 3000K color temperature, 650 lumens, 90CRI. 85 degree beam angle. 35,000 hour average lamp life. This downlight is suitable for use in most standard 4 inch housings that have spring retaining brackets. Simply install this retrofit solution and turn on the savings. UL listed. Energy Star. Title 24 compliant. Suitable for wet locations. 5 year warranty. 5.35 inch diameter x 3.5 inch height. Smooth dimming with most existing dimmers. See attached manufacturer reference for dimmer compatibility.
