PH 3 1/2 - 2 1/2 Table Lamp

By Louis Poulsen

Description

PH 3.5 - 2.5 Table Lamp designed by Paul Henningsen, is based on the principle of a reflective three-shade system, which directs most of the light downwards. The white painted lower surface of the top shade gently directs the light downwards. The two bottom mouth-blown opal glass shades ensure a large glare-free light surface, making optimum use of the light source to provide comfortable, functional lighting. Available with a White, Yellow, Red, or Green shade and a Copper Matte Brown finish. Includes 144 inch black cord and in-line on/off switch. UL listed.

Shown in copper / white
