NJP Table Lamp

By Louis Poulsen

Description

The NJP Table Lamp provides direct glare-free horizontal light while reflecting some of the light through the rear of the head, illuminating the top of the arm. The ergonomic design of the fixture head shapes the light and gives optimal light direction. A simple mechanical system provides great freedom of movement, so the light can always be set in the ideal position in the workspace. The shade is painted white on the inside, reflecting comfortable diffused light. High/low/off switch is located on the fixture head. Note: Dark Grey not available in 2700K color temperature Available in three mounting options: table base, desk clamp, or through table mounting pin.
