New Construction Junction Box Cover

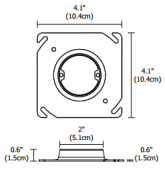

By PureEdge Lighting

Description

The New Construction Junction Box Cover mounts to a standard 4 inch electrical box or octagon box, converting to a 2 inch plaster ring for new construction. Included with the 2 inch round and square canopies and is not required for the 4 inch square canopy (included as the standard canopy option with all Cirrus Suspension fixtures). May be ordered separately as a rough-in component or replacement part. 4.1 inch square x .6 inch depth. Mounting brackets inside the center hole are 1.75 inch from each other.
