Criss Cross Linear Chandelier

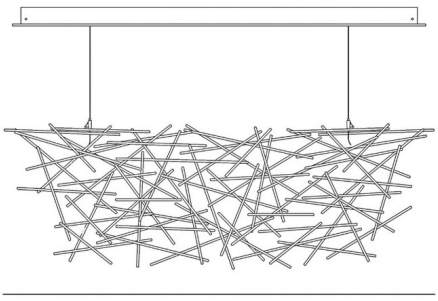

By Ridgely Studio Works

Description

Criss-Cross Chandelier, designed by Ridgley Studio Works, was created from a genuine desire to blend art with lighting. It is a sculptural piece that is composed of cut steel rods carefully arranged and welded in a seemingly random pattern and lit from a canopy mounted above the fixture. ETL listed. Requires 3/4 inch thick plywood (or similar) blocking secured into ceiling prior to installation (see attached blocking diagram).

Shown in nickel
