Halo Criss Cross Chandelier

By Ridgely Studio Works

Description

Halo Criss-Cross Chandelier, designed by Ridgely Studio Works, was created from a genuine desire to blend art with lighting. It is a sculptural piece that is composed of cut steel rods carefully arranged and welded in a seemingly random pattern. Features an acrylic diffuser to conceal the strip of lighting. Available in powder coat Gunmetal Grey, Bronze, Arctic White, and Gloss Black finishes, or plated Nickel, Copper and Brushed Brass finishes. 8 inch diameter x 1.5 inch high canopy in White finish. Includes compact electronic low voltage driver which fits inside canopy. Requires 3/4 inch thick plywood (or similar) blocking secured into ceiling prior to installation (see attached blocking diagram).
