## Sylvan Tall Wall Sconce

By Crystorama

### Description

The Sylvan Tall Wall Sconce's simple design works perfectly in a plethora of decors. From the back-plate, a steel arm gently swoops forward. On top of the arm rests a Silk shade and once illuminated the Sylvan gives off a gentle glow. Place this sconce in the bedroom, dining room, or living room to add an elevated layer of lighting to your space.

### Specifications

|                    |                                                                                 |
