# Landscape 12V Area Light

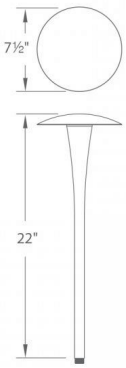

By WAC Lighting

## Description

Landscape Area Light features a Warm White (2700K) or Pure White (3000K) color temperature. The broad appeal makes this fixture suitable for varying landscape designs. Made of solid brass with a Bronze finish or corrosion-resistant aluminum alloy with a Black or Bronze finish. Translucent lens provides uniform light distribution. Includes mounting stake, 6 foot lead wire, and direct burial gel filled wire nuts. Maintains constant illumination against voltage drop. 9-15VAC; magnetic low-voltage transformer required. UL listed for wet locations. IP66 rated: protected against powerful jets of water.

Shown in bronze on brass

### Specifications

| | |
|---|---|
| COLOR | N/A |
