WAC Lighting

DESCRIPTION

Landscape Area Light features a Warm White (2700K) or Pure White (3000K) color temperature. The broad appeal makes this fixture suitable for varying landscape designs. Made of solid brass with a Bronze finish or corrosion-resistant aluminum alloy with a Black or Bronze finish. Translucent lens provides uniform light distribution. Includes mounting stake, 6 foot lead wire, and direct burial gel filled wire nuts. Maintains constant illumination against voltage drop. 9-15VAC; magnetic low-voltage transformer required. Integrated 5.8 watt 90CRI LED light source. 60,000 hour rated life. 7.5 inch head diameter x 22 inch height. UL listed for wet locations. IP66 rated: protected against powerful jets of water.

Shown in: Bronze on Brass

SHADE COLOR	N/A
BODY FINISH	Bronze on Brass
