# Cloak Pendant

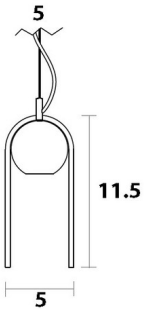

By Vitamin Living

## Description

Cloak Pendant uses a premium Clear glass dome to encase a beautifully crafted sphere. The natural beauty of the Walnut, Oak, or stained Ash in Black or White globe is enhanced by the thick layer of glass draped over them - the glass itself seems to hover weightlessly over the globe. The light within the sphere omits an elegantly powerful yet dispersed glow, making these lights both beautiful and incredibly effective. Includes 6.5 feet of cable to customize length. 5 inch diameter canopy. Made in the UK.
