

BRAND Artemide

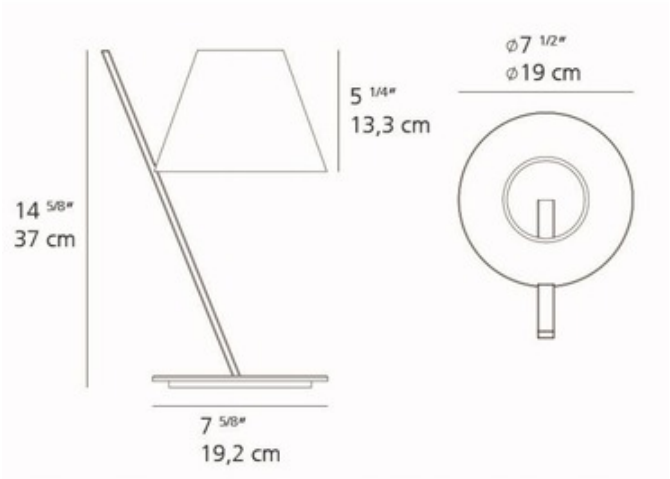

DESCRIPTION

La Petite Table Lamp displays exquisite geometry with an archetypal lampshade balanced on a tilted stem. The lightweight plastic shade contains two diffusers that produce a pleasant soft direct and indirect light. The lampshade connects with the aluminium stem with minimal support whereby the tilted stem is counterbalanced by the lampshade's volume. Available in Black or White. One 6 watt max 120 volt candelabra base LED bulb is required, but not included. On/Off switch located on cord. 7.6 inch base diameter x 14.6 inch height. UL listed.

Shown in: Black
