DESCRIPTION

4RLS Basics Series Gen 2 Surface Mount is a sleek, ultra-low profile energy efficient LED fixture for junction box or recessed housing installation. Installs directly onto industry standard junction boxes and round mud rings. When used with accessory retrofit kit, fixture can be installed into 4 inch IC or Non-IC recessed housing. Decorative beveled aluminum trim frame with White finish. Diffusing dome lens. Includes 10 watts LED with choice of 2700K or 3000K color temperature, 90CRI, 700 lumens. Replaces traditional 65 watt incandescent fixture performance. Dimmable with most standard incandescent, magnetic and electronic low voltage dimmers (see attached dimmer compatibility reference). 50,000 hour average lamp life. UL listed. Suitable for damp locations. Energy Star. Title 24 compliant. 5 year warranty. 5.5 inch diameter x 1.1 inch height.
