## Tellium Monorail Head

By Visual Comfort Architectural

### Description

The Tellium Monorail Head combines simplicity with functional technology. Light direction can be adjusted using the 360 degree head rotation and 90 degree pivot, and the LED option includes lenses for 20, 40 and 60 degree beam spreads. This light is perfect for residential and commercial applications including galleries and retail stores. A monorail connector is included. The LED option is Title 24 compliant. The Aged Brass is a living finish that will patina over time. If it becomes uneven or spotty, a brass cleaner can restore the finish. Note: Requires a 1-circuit monorail track system, sold separately.

Shown in satin nickel
