

**BRAND**

DALS Lighting

**DESCRIPTION**

PowerLED Linear Light Fixture is a flexible lighting solution which is capable of long runs, up to 200 watts, with a sleek, driverless connection which ensures smooth and continuous light in every application. Intended for surface mounting only. Its low profile makes it very easy to hide behind standard cabinet trims or in cove ceilings. Two sizes available. Integrated 120 volt LED light source available in two color temperature options. ETL listed. Energy Star. 9/12/24/36/48 inch width x 1 inch height x 1 inch depth. Optional mounting accessories sold separately.

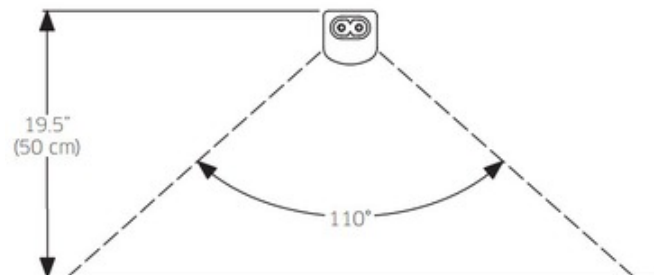

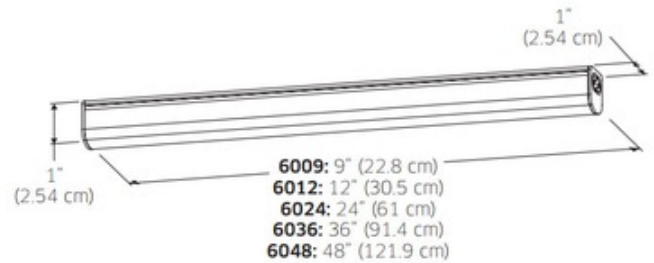

*Shown in: Satin Nickel*
