Equilibrist Desk Lamp

By Artemide

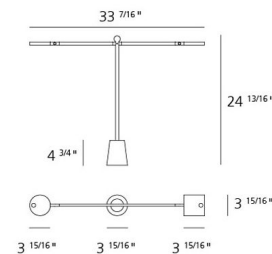

Description

Resembling a high-tech traffic light, the Equilibrist Desk Lamp balances two different LED light sources like the weights of a scale. The diffuser heads rotate around a vertical axis, emitting non-symmetrical light and operate separately with included dimmer switches. Made of Black metal, the Equilibrist Desk Lamp was awarded a Wallpaper Design Award in 2015. One 4 watt and one 8 watt 120 volt LED modules are included. 33.4 inch width x 24.8 inch height x 3.9 inch depth. UL listed.

Shown in black

Specifications
