## Melete Wall Light By Artemide

## Description

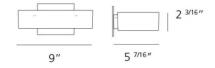

The Melete Wall Light offers a sophisticated solution for both direct and indirect illumination, characterized by its clean lines and minimalist aesthetic. This elegant fixture is expertly crafted from die-cast aluminum and finished with a durable powder-coated White surface, ensuring longevity and seamless integration into contemporary interiors. Designed to provide balanced lighting, the Melete delivers both functional direct light and a soft, diffused indirect glow. This dual emission creates a comfortable and inviting atmosphere, making it ideal for a variety of applications, from hallways to living spaces. For tailored ambiance, you can choose between a 2700Kor 3000K color temperature, allowing you to fine-tune the mood of your space. The Melete Wall Light is an excellent choice for adding a touch of modern elegance and versatile lighting to any wall surface.
