Athena Floor Lamp

By Artemide

Description

The Athena Floor Lamp is a testament to minimally elegant design, offering sophisticated indirect LED light diffusion that timelessly enhances any environment or style. Its striking form features twin black aluminum discs at both the base and top, seamlessly connected by a slender tubular stem, creating a silhouette of pure, understated grace.This lamp provides a soft, embracing indirect light that washes ceilings and walls, creating a comfortable and inviting ambiance without any harsh glare. It's available in either classic Black or pristine White, allowing it to integrate effortlessly into diverse interior palettes.For personalized illumination, you can select between 2700K or 3000K. A convenient touch dimmer is included, providing effortless control over brightness levels. The Athena Floor Lamp is an ideal choice for adding ambient light to living rooms, bedrooms, or studies, where timeless design meets modern, comfortable illumination.
