Unterlinden Pendant

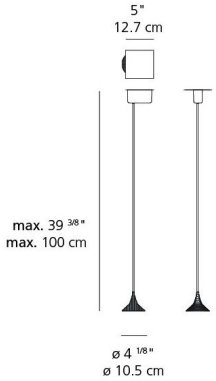

By Artemide

Description

The Unterlinden Pendant is a captivating blend of vintage charm and cutting-edge technology, offering a unique lighting experience with its distinctive aesthetic. This fixture marries the aesthetic appeal of an antique object with contemporary LED engineering, creating a truly one-of-a-kind design.Its heat-dissipating shade, essential for LED longevity, is available in robust die-cast aluminum with a classic Black cord or a rich Bronze finish with a crisp White cord, allowing for versatile styling. An integrated 7-watt 120-volt LED module provides efficient and powerful illumination.For tailored light quality, you can choose between a 2700K or 3000K color temperature. With compact dimensions, the Unterlinden Pendant is ideal for creating intimate clusters over dining tables, accenting kitchen islands, or adding a touch of industrial vintage flair to any contemporary space.
