LineaCurve Mono Wall / Ceiling Light

By Artemide

Description

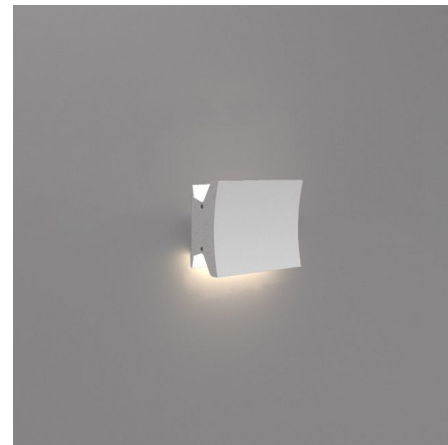

The LineaCurve Mono Wall / Ceiling Light introduces a graceful, curved aesthetic to modern linear illumination, creating a soft and inviting glow. This distinctive fixture features an extruded aluminum body, elegantly sculpted with a textured finish available in a pristine White or a refined Anthracite Grey, complete with matching aluminum end caps. Designed for flexible application, this light can be mounted to cast illumination in any direction, providing dynamic options for both ambient and accent lighting. Its gentle curve adds a subtle architectural detail, enhancing the visual flow of any interior space. Offered in four versatile sizes, the LineaCurve Mono allows for seamless integration into various room dimensions and design schemes. You can select between a 3000K (a warm white light) or 3500K (a more neutral white light) color temperature, enabling you to fine-tune the ambiance to your exact specifications. This fixture is an ideal choice for adding a touch of contemporary elegance to walls or ceilings, illuminating corridors, or creating a unique luminous pathway.
