LineaFlat Mono Wall / Ceiling Light

By Artemide

Description

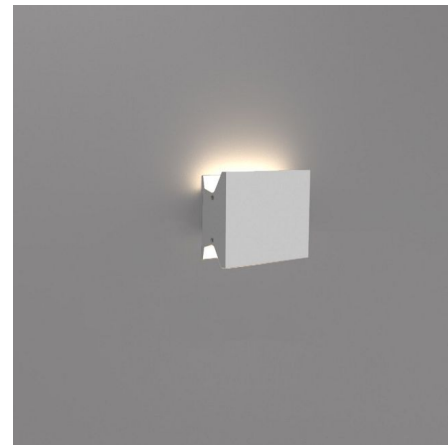

The LineaFlat Mono Wall / Ceiling Light offers sleek, uninterrupted illumination, bringing a clean, contemporary aesthetic to any space. This versatile fixture features a slender extruded aluminum body, precisely crafted with a textured finish available in either crisp White or sophisticated Anthracite Grey, complete with perfectly matching aluminum end caps. Designed for adaptable installation, it can be mounted to cast light in any direction, providing flexible solutions for both ambient and accent lighting. Its minimalist profile ensures it integrates seamlessly into modern interiors without imposing on the design. Available in four convenient sizes, the LineaFlat Mono allows for tailored illumination to suit various room dimensions and design needs. You can also select between a 3000K (a warm white light) or 3500K (a more neutral white light) color temperature to achieve the desired ambiance. This fixture is an ideal choice for creating continuous lines of light on walls or ceilings, enhancing corridors, or providing a modern glow in living areas.
