LineaFlat Dual Wall / Ceiling Light

By Artemide

Description

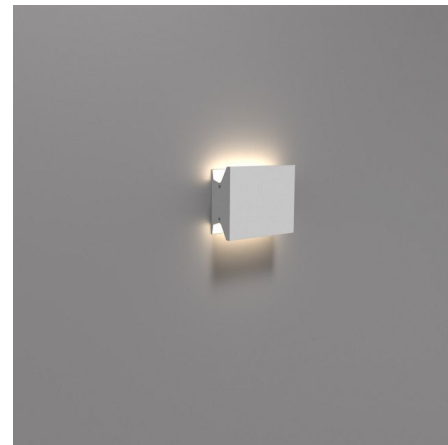

The LineaFlat Dual Wall / Ceiling Light delivers a balanced blend of direct and indirect illumination, characterized by its clean lines and contemporary design. This sophisticated fixture boasts an extruded aluminum body in a textured White or Anthracite Grey finish, complemented by perfectly matching aluminum end caps, ensuring a cohesive and refined look. Designed for flexible installation, this light can be mounted either vertically or horizontally, providing versatile options for your lighting layout. Its dual light emission creates a harmonious glow, adding depth and dimension to your walls or ceilings. Available in four distinct sizes, the LineaFlat Dual allows for customized integration into a variety of spaces. You can also choose between a 3000K (a warm white light) or 3500K (a more neutral white light) color temperature, allowing you to tailor the ambiance to your preference. This fixture is an excellent choice for modern living rooms, hallways, or commercial spaces seeking a powerful yet understated linear lighting solution.
