Piroscafo Outdoor Floor Light

By Artemide

Description

The Piroscafo Outdoor Floor Light introduces a distinct, industrial-inspired aesthetic combined with unwavering outdoor durability, creating an intriguing accent for contemporary exterior spaces. This uniquely styled fixture is meticulously fabricated from die-cast aluminum, further enhanced with a specialized 3-stage outdoor treatment for exceptional longevity and resilience against harsh weather. Available in a subtle Green or a classic Grey, the Piroscafo offers versatile appeal to complement various outdoor design schemes. Its compact and sturdy form is designed to sit discreetly on the ground, delivering focused and effective illumination where needed. Equipped with an integrated LED module, the Piroscafo Outdoor Floor Light ensures efficient and dependable performance. With a 7.5-inch base width and 10.8-inch height, it provides a low-profile yet impactful light source. This fixture is UL listed for wet locations, confirming its suitability for exposed outdoor environments, making it an excellent choice for accenting garden features, pathways, or defining outdoor seating areas.
