AP Slim Fit Exhaust Fan By Aero Pure

Description

The ultra-quiet, energy-efficient AP Slim Fit Exhaust Fan is an IC-rated bath fan suitable for new construction or remodel applications. Its low-profile grille in a range of contemporary easy-care finishes offers design flexibility, working well with any interior style. The fan is perfect for smaller joist spaces, able to fit in 2 x 6 inch construction. It can be installed in a wall or ceiling. It has rust-proof steel motor housing, a built-in backdraft damper and thermal shutoff, and includes articulating expandable anti-vibration brackets and a detachable connector for 4 or 6 inch ducts. UL listed for use in a tub or shower enclosure when GFCI-protected.
