Pirce Suspension

By Artemide

Description

Transform your overhead space into a dynamic art installation with the Pirce LED Suspension. This visually stunning fixture showcases a grand, painted white aluminum spiral, expertly formed into expansive, flowing rings that create a profound sense of movement and depth. It's a statement piece that immediately draws the eye and elevates any interior. Supported by robust stainless steel suspension cables, this impressive design combines stability with an ethereal presence. When its integrated LED light source is activated, it orchestrates a dramatic interplay of light and shadow, dancing through the sculptural aluminum and bringing your room to life. Available in two sizes, the Pirce LED Suspension allows for seamless integration into various room dimensions. You can further tailor the atmosphere with a choice of 2700K or 3000K. This pendant is a superb choice for grand living rooms, expansive dining areas, or double-height entryways, providing both powerful illumination and an undeniable artistic flourish.
