LED NET Line Ceiling Light

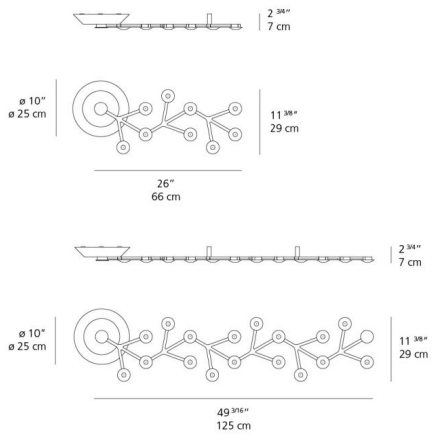

By Artemide

Description

The LED NET Line Ceiling Light presents a striking, snowflake-like design, offering a modern and artistic approach to ambient illumination. This innovative fixture allows for creative arrangements, as multiple units can be combined to form a truly festive and sparkling lighting installation that transforms your ceiling into a celestial display.Available in two versatile sizes, the LED NET Line Ceiling Light integrates a powerful 120-volt LED light source, providing efficient and bright illumination. Its geometric structure ensures a unique light distribution, casting intricate patterns and a widespread glow across your space.This ceiling light is an ideal choice for creating a contemporary, eye-catching focal point in living rooms, hallways, or commercial spaces that benefit from unique ambient lighting.
