Tolomeo Shade Desk Lamp with Clamp

By Artemide

Description

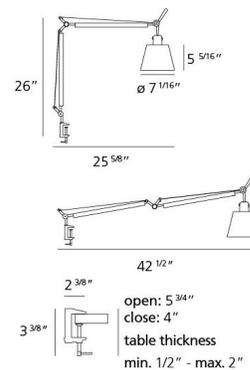

The Tolomeo Shade Desk Lamp with Clamp provides an unparalleled combination of iconic design and versatile functionality, making it an essential tool for any workspace or reading area. This highly adaptable fixture features a meticulously crafted extruded aluminum arm, coupled with precisely engineered polished die-cast aluminum joints and tension control knobs, ensuring smooth and effortless adjustment. Anchoring this flexible structure is a robust die-cast aluminum clamp, designed for secure attachment to surfaces ranging from 0.5 to 2 inches in thickness. This provides exceptional stability while freeing up valuable desk space. The lamp is complemented by a classic shade, available in a sophisticated Grey Fiber or a warm Parchment, diffusing light beautifully. The lamp requires one 75-watt max 120-volt medium base bulb (not included), allowing you to customize your light output. This desk lamp offers extensive illumination coverage, making it ideal for focused tasks, reading, or creative endeavors.
