Tolomeo Shade Wall Light Plug In

By Artemide

Description

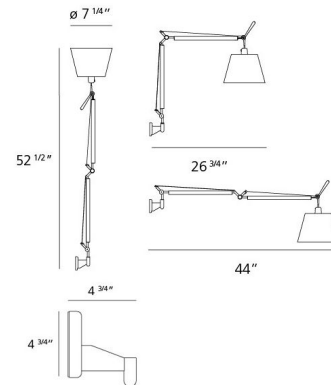

The Tolomeo Shade Wall Light Plug In brings the iconic design and renowned flexibility of the Tolomeo series directly to your wall, offering versatile illumination without the need for complex wiring. This elegant fixture features a classic shade, available in either warm Parchment or sophisticated Grey Fiber, perfectly complemented by its refined aluminum finish. Designed for effortless installation, an S-bracket is conveniently included, allowing for easy plug-in setup. This feature makes it an ideal choice for renters or those seeking adaptable lighting solutions. Despite its simple installation, it maintains the superior adjustability Tolomeo is known for, allowing you to direct light precisely where needed. The lamp requires one 75-watt max 120-volt medium base bulb (not included), giving you the freedom to customize your light source. This wall light is perfect for illuminating a reading nook, a desk, or adding an artistic touch to any wall space with its functional elegance.
