Cu-Beam Linear Pendant

By Jake Dyson

Description

The Cu-Beam Linear Suspension provides powerful light, precisely where you need it. Choice of uplight only, downlight only, or both uplight and downlight. Uplight provides perfect ambient lighting for open spaces like atriums, foyers, circulation areas, and general office lighting while the downlight provides powerful task lighting that illuminates a larger surface area than most office suspensions. Heat pipe technology creates a highly effective cooling system, meaning each light can use a single high-power, high-efficiency chip on board LED. This single light source, combined with a custom-designed PMMA lens, delivers optically efficient, precisely controlled illumination. The cooling system also prolongs the life of the light, ensuring long-lasting performance and color stability. Available in White, Silver, or Black with 3000K or 4000K color temperature. ETL listed.

Specifications

COLOR N/A
BODY FINISH White
WATTAGE 85W
DIMMER Dimmable
DIMENSIONS 28.3"L x 5.1"W x 1.8"H
INTEGRATED LED MODULE 1 x LED/85W/120V LED

Technical Information

PRODUCT DIMENSIONS Maximum Overall Height: 159"
LAMP LIFE 180000 hours
COLOR RENDERING 80 CRI
LAMP COLOR 3000K
LUMENS/WATT 89.06
LUMINOUS FLUX 7570 lumens

Notes:
