Lederam W1 Wall Sconce

By Catellani & Smith

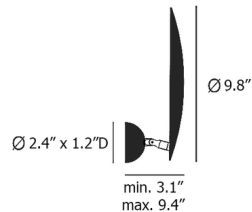

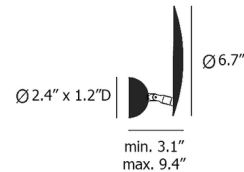

Description

The Lederam W1 Wall Sconce features an adjustable circular shade that casts light towards the wall to produce indirect lighting. The shade's position can be adjusted to change the angle at which the light strikes the wall. Lederam's simple, geometric aesthetic will perfectly complement a contemporary interior. Available in Gold Leaf, Copper Leaf, or Black adjustable disc with a Black base or a White adjustable disc with a White base. Includes coordinating mounting plate to cover standard US junction box.

Shown in black / gold leaf
