BRAND

Visual Comfort Modern

DESCRIPTION

The Turbo Outdoor Bollard offers a clean, modern aesthetic for enhancing your outdoor space. Its sleek cylindrical open frame creates beautiful geometric shadows as the integrated LED light source shines down from the crown. Its aluminum construction, powder coat finish, and impact-resistant UV-stabilized acrylic lens ensure durability against outdoor elements. A universal 120-277V driver with integrated transient 2.5 kV surge protection is included. 0-10V dimmable. Four option selections are available: button photocontrol, in-line fuse, both the photocontrol and in-line fuse, or no options.
