Revel Outdoor Bollard Light

By Visual Comfort Architectural

Description

The Revel Bollard features a uniquely modern sleek metal surface that is laser-cut with horizontal slots which allow the LED light to shine through an inner white diffuser. The subtle, ambient glow enhances way-finding on paths or in landscape applications. Constructed of aluminum with a durable, marine grade powder coat finish in Charcoal or Bronze. Feature stainless steel hardware and impact-resistant, UV stabilized frosted acrylic lens for added durability and stability. Includes 18.9 watt LED module in two color temperature options. Symmetric light distribution. Universal 120-277V with integral surge protection. 5-year warranty. Dimmable with an electronic low voltage or 0-10V dimmer, sold separately. Available with button photocontrol, button photocontrol and in-line fuse, in-line fuse, or standard with no options.
