Syntra Outdoor Bollard Light

By Visual Comfort Architectural

Description

The Syntra Bollard exhibits a modern, Zen-like design approach blending seamlessly into contemporary architecture and landscapes. The symmetric down lighting provides abundant outdoor illumination while the clean, angular aesthetic maintains an understated elegance. Constructed of aluminum with a durable, marine grade powder coat finish in Charcoal or Bronze. Features stainless steel hardware and impact-resistant, UV stabilized acrylic lens for added durability and stability. Includes 28.9 watt LED module in two color temperature options. Universal 120-277V driver with integral surge protection. 5-year warranty. Dimmable with an electronic low voltage or 0-10V dimmer, sold separately. Available with a button photocontrol, button photocontrol and in-line fuse, in-line fuse, or standard with no options.
