Visual Comfort Modern

DESCRIPTION

Blending form and function, the Taag 6 Inch Outdoor Wall Sconce features a clean, unencumbered modern design and outstanding light performance intended for outdoor security and general illumination. The LED module provides high output light with symmetric distribution. Die-cast aluminum construction, a powder coat finish, impact-resistant UV-stabilized acrylic lensing, and stainless steel hardware ensure durability against harsh outdoor conditions. A universal 120-277V driver with integrated transient 2.5 kV surge protection is included. Dimmable with a TRIAC, ELV, or 0-10V dimmer. Eight option selections are available: button photocontrol, in-line fuse, surge protection, combinations of two or all three of those options, or no options.
