## Taag 10 Inch Type III Outdoor Wall Sconce By Visual Comfort Modern

### Description

Blending form and function, the Taag 10 Inch Outdoor Wall Sconce features a clean, unencumbered modern design and outstanding light performance intended for outdoor security and general illumination. The LED module provides high output light with Type III distribution. Die-cast aluminum construction, a powder coat finish, impact-resistant UV-stabilized acrylic lensing, and stainless steel hardware ensure durability against harsh outdoor conditions. A universal 120-277V driver with integrated transient 2.5 kV surge protection is included. Dimmable with a 0-10V dimmer. Eight option selections are available: button photocontrol, in-line fuse, surge protection, combinations of two or all three of those options, or no options.
