## Syntra 12V Path Light By Visual Comfort Architectural

## Description

The Syntra Path Light exhibits a modern, Zen-like design approach blending seamlessly into contemporary architecture and landscapes. The symmetric down lighting provides abundant outdoor illumination while the clean, angular aesthetic maintains an understated elegance. Constructed of die cast aluminum with a durable, marine grade powder coat finish. Features stainless steel hardware and impact-resistant, UV stabilized acrylic lens for added durability and stability. Bolt mount. Stake kit includes 1.7 inch diameter x 8.3 inch height stake anchor. Note: Required 12 volt outdoor rated remote low voltage magnetic transformer sold separately.
