Tech Lighting

**DESCRIPTION**

The Turbo Wall Light offers an inviting and open cylindrical silhouette with decorative fins evenly spaced around the circumference adding a modern aesthetic to any facade. Beautiful geometric shapes of light are created when illuminated by the powerful LED light source shining down from the crown. Mounting options enable the fixture to be mounted in three different height positions relative to the back plate to meet a variety of installation needs and aesthetic preferences. Constructed of aluminum with a durable, marine grade powder coat finish in Charcoal, Black or Bronze. Feature stainless steel hardware and impact-resistant, UV stabilized clear flat lens for added durability and stability. Universal 120-277V with integral surge protection driver. Available with surge protection or standard with no options. Consult with manufacturer for additional options. 5-year warranty.
