Megaron Floor Lamp

By Artemide

Description

The Megaron Floor Lamp is an iconic Gianfranco Frattini classic, now reimagined with updated LED technology to bring contemporary brilliance to its timeless design. This elegant and commanding vertical light source delivers powerful yet diffused illumination, making a sophisticated statement in any room.The lamp features a sleek finish, available in a deep Black with a choice of warm 2700K or crisp 3000K color temperature, or a striking Polished Aluminum exclusively in 3000K color temperature. These options provide versatility to seamlessly integrate with diverse interior palettes and desired ambiances.For effortless control over your lighting environment, a convenient dimmer is thoughtfully included directly on the lamp's body, allowing you to precisely adjust the brightness. The Megaron Floor Lamp is an ideal choice for adding ambient light to living rooms, highlighting architectural features, or providing a sophisticated vertical accent in contemporary and modern classic interiors.
