## Quadraté Outdoor Wall Light

By Visual Comfort Modern

### Description

The Quadraté modern outdoor wall light generates an uplight to nicely graze architectural wall surfaces. The downlight accents the extended backplate, while the clean, modern LED lighting design is elegantly simple yet very impactful. Cleverly hidden hardware ensures a clean look. The dimmable Quadraté outdoor lighting fixture is also wet-rated to withstand rain and snow. Finish choices are either Silver or Bronze. The Quadraté outdoor light is perfect for both residential lighting and commercial lighting use, such as flanking a front or back door to welcome visitors to a home or to a hotel lobby.
