Vetra Wall Light
By Visual Comfort Modern

Description

Vetra Ceiling Flush Light as a linen weave design which is silk screened on to the hand-blown glass shade, creating a textured surface through which the light softly glows. The artisan glass treatment is a subtle design element that gives this clean, contemporary profile a warm, tailored look, making it a beautiful accent in modern to transitional decor in both residential and professional settings. Perfect for hallway lighting, dining room lighting, living room lighting, bedroom lighting and bathroom lighting. Finished in Satin Nickel. Available in incandescent or LED lamping options. Incandescent: One 25 watt, 120 volt B10 Candelabra base incandescent bulb is required, but not included. LED: One 2 watt LED module is included. ADA compliant. ETL listed. Damp location rated. 4.9 inch width x 13.2 inch height x 3.9 inch depth.
