**DESCRIPTION**

The Akova Freejack Pendant, inspired by mid-century design, elevates the simple sphere into an elegant contemporary statement. Distinctly divided into three unified regions, each fixture features a metal housing, briefly separated from a beautiful acrylic diffuser by a complementary decorative metal band. Compatible for use with 1-circuit and 2-circuit Monorail track systems or Freejack canopy. Includes 12 volt, 14 watt LED module. Provided with six feet of field-cutttable suspension cable and a Freejack connector. Freejack canopy required if used as a monopoint, sold separately. LED canopy compatible with both halogen and LED lamp options. Dimmer type dependent on system transformer (low voltage magnetic or electronic).
