DESCRIPTION

The Exo Ceiling Light with 20, 30, 40, or 60 degree beam angle is available in sizes ranging from a simple cube to exaggerated rectangular shades. The Exo yields the ultimate in minimalist form while secretly concealing a specification-grade, multifunction performance downlight within. Its high-performance output is harnessed by your choice of four field changeable optics ranging from a precise 20 degree beam perfect for task-oriented applications such as kitchen island lighting, to a wide 60 degree beam ideal for general illumination-minded applications such as hallway lighting, entry lighting or dining room lighting. Additional precision control is offered by way of integrated 0 to 30 degree tool-free beam aiming. 120/277V, dimmable with an electronic low voltage, Triac or 0-10V dimmer, sold separately.
