Exo Dual Ceiling Light

By Visual Comfort Architectural

Description

The Exo Dual Ceiling Light with 20, 30, 40, or 60 degree beam angle yields the ultimate in minimalist form while secretly concealing two specification-grade, multifunction performance downlights within. Available in Matte White or Matte Black with White, Black or Gold Haze trim. Includes 2X14 watt LED module available with choice of 2700K, 3000K or 3500K color temperature, 90CRI, 1635 total lumens. Its high-performance output is harnessed by your choice of four field changeable optics ranging from a precise 20 degree beam perfect for task-oriented applications such as kitchen island lighting, to a wide 60 degree beam ideal for general illumination-minded applications such as hallway lighting, entry lighting or dining room lighting. Additional precision control is offered by way of integrated 0 to 30 degree tool-free beam aiming. ETL listed. 10.4 inch width x 5.2 inch depth x 6.1 inch height. Dimmable with an electronic low voltage, Triac, or 0-10V dimmer, sold separately.

Specifications
