Sedona Chandelier

By Visual Comfort Modern

Description

The Sedona Chandelier can be viewed as a deconstructed chandelier, consisting of glass orbs hanging by cords from asymmetrical metal branches. This eye-catching piece makes a distinctly modern statement and is a great focal point for living rooms, kitchens, and dining rooms. Each glass globe has a smooth exterior and features gradually thickening bands on the interior to add dimension and visual interest to your space. TRIAC or ELV dimmable. The options that include LED bulbs are Title 24 compliant. As each piece is crafted by artisans, slight variations may occur.
