Sedona Freejack Pendant

By Visual Comfort Architectural

Description

Sedona Freejack Pendant features a dramatic statement, particularly when installed in clusters using Tech Lighting multiport canopies to make a custom chandelier. Each orb is perfectly spherical and smooth on the exterior surface while the interior surface features gradually thickening bands of glass artfully crafted. Aged Brass finish includes Satin Nickel system hardware. Compatible for use with 1-circuit Monorail track systems r Freejack canopy. Halogen: Includes one 12 volt, 35 watt JC GY6.35 halogen bi-pin lamp. LED: Includes one 12 volt, 8 watt replaceable SORAA LED module. Supplied with six feet of field-cutable suspension cable and a Freejack connector. Freejack canopy required if used as a monopoint, sold separately. LED canopy compatible with both halogen and LED lamp options. Dimmer type dependent on system transformer (low voltage magnetic or electronic).
