Syrma Pendant

By Visual Comfort Modern

Description

Dozens of machined metal rods are bent and painstakingly fastened together to create the Syrma Pendant, a striking multidimensional piece inspired by midcentury modern design. Whether used as a standalone or in multiples, the Syrma casts a diffused LED light suitable for kitchen islands, dining areas, and entryways. A universal 120-277V driver is included, dimmable with a TRIAC, ELV, or 0-10V dimmer. Note: Not all options are available.
