

### BRAND

Visual Comfort Modern

### DESCRIPTION

The Tiffin LED Bathroom Vanity Light features dual linear diffusers made of high quality frosted acrylic separated by a sleek band of metal finished in Satin Nickel. The opposing nature of the diffusers in this LED vanity light allow its light to be evenly distributed either up or down or side to side depending on the direction in which it is mounted. Can be mounted vertically or horizontally. ETL listed. ADA compliant. Dimmable with an electronic low voltage dimmer, sold separately.
